25X1 6. [ ] LIAISON Received a call from Ed Greissing, Senate Select Committee on Intelligence staff, who said the Committee needs a large map of Angola by late tomorrow. I said I would try to get one for the Committee. Greissing also assured me he had not shown the transcript of Agency official [ ] testimony before the Church Committee to the House Select Committee on Assassinations as they had requested. I told him [ ] did not want it shown to the House Committee but I said this decision was subject to Agency review. I told Greissing I would get back to him on this.

25X1 9. [ ] LIAISON Received a call from Spencer Davis, Senate Select Committee on Intelligence staff, who wanted to alert me he had received a call from Jerry Cohen of Jack Anderson's staff. Cohen said there is a rumor that the Italian Government had requested assistance from CIA regarding the kidnapping of Aldo Moro and that we had refused to help. I told Davis I didn't think we would want to comment on that but that I would check.

25X1 10. [ ] HEARING Attended a meeting of the Intelligence Community Staff and the Senate Select Committee on Intelligence staff to discuss Intelligence Community Staff reorganization.

25X1 11. [ ] LIAISON Talked to Lynn Harvey, in the office of Representative Robert K. Dornan (R., Calif.), to respond to the Congressman's letter to the Director about alleged Soviet activities in Cuba. I explained to her that the news article in the London Daily Telegraph by Robert Moss was inaccurate and that there is no evidence to indicate that the Soviets are constructing submerging pens in Ceinfuegos Harbor or that they are secretly smuggling strategic offensive weapons into Cuba. I told her that we would be happy to brief the Congressman on this but that these were the essential facts. She said she would check with him and call us if a briefing was necessary.
